Summary/ Background: As of January 2025, the County’s Storm Drainage Program implemented a policy of using contractors “exclusively” for cleaning and maintaining the stormwater drainage ditches. These ditches are located throughout the 400sq miles of Accomack County. Keeping them open and functional plays an important role in road safety and protects property from flooding. [Hickman St. & Rt. 13](#) drains excess water from State Route 619, and the Town of Painter.

Scope of Work: [Hickman St. & Rt. 13](#) The successful contractor will clear and clean the drainage ditch back to its original parameters. Some projects will require a “snag & drag” approach to remove fallen trees and naturally occurring dams that restrict water flow. Other projects will require excavating leaf litter, debris and sedimentation to restore the original parameters of the ditch. This project is a combination of both. It begins as a snag & drag upstream at Hickman St. Rt. 619 and continues north east for approximately 2,000 feet and turns South East for 130 feet, then splits into two ditches that terminate at Rt. 13. The total length of the project is approximately 2,500 feet which includes both of the split ditches. The excavations of sedimentation will be down to the original parameters only. Approximately 6” of leaf litter and sediment have been observed, as well as filled in areas by fox dens. There is also some light brush that will have to be removed from Hickman Street for approximately 300 ft in a hedgerow area. The excavations are to be no wider or deeper than the original parameters. Excavated material will be placed on the bank near the ditch in as unobtrusive manner as possible and breached for 5 ft every 50 ft when necessary to prevent blocking field drainage. Any tracks or “scars” left on the project site field will have to be smoothed out or back filled if necessary.

A non-mandatory pre-bid project site visit can be scheduled upon request. No site visits will be scheduled on the same day that the quotes are due. Please contact Bill Savage @ 757-787-1468 or wsavage@co.accomack.va.us to schedule the site visit. It is highly recommended that contractors bring hip boots, bug spray and drinking water to the site visit.

***Work shall be completed within 30 days of issue of Purchase Order/ Notice to Proceed.**

Other Important Information:

*Bids exceeding \$50,000 must be accompanied by a bid bond in the amount of 5% of the total bid price. This is **not** a sealed bid, therefore an electronic (emailed) copy of the required bidding documents along with the bid bond is acceptable. (Hard copy of bid bond can be mailed after award.)

*If the successful bidder is awarded the contract *in excess of \$50,000*, a **contract shall be signed** and a **performance and payment bond furnished to the County of Accomack in the amount equal to 100% of the contract.**

***Copies of licensure and/ or proof of insurance must accompany bid.**

27. Withdrawal of Bids:

- a. A Bidder for a public construction contract, other than a contract for construction or maintenance of public highways, may withdraw his or her bid from consideration if the price bid was substantially lower than the other bids due solely to a mistake therein, provided the bid was submitted in good faith, and the mistake was a clerical mistake as *opposed* to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor, or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents, and materials used in the preparation of the bid sought to be withdrawn. If a bid contains *both* clerical and judgment mistakes, a bidder may withdraw his bid from consideration if the price bid would have been substantially lower than the other bids due solely to the clerical mistake, that was an unintentional arithmetic error or an unintentional omission of a quantity of work, labor, or material made directly in the compilation of a bid which shall be clearly shown by objective evidence drawn from inspection of original work papers, documents, and materials used in the preparation of the bid sought to be withdrawn. The Bidder shall give notice in writing to the Procurement Agent of his or her claim of right to withdraw his or her bid within two (2) business days after the conclusion of the bid-opening procedure and shall submit original work papers with such notice.
- b. A Bidder for a contract other than for public construction may request withdrawal of his or her bid under the following circumstances:
 - 1) Requests for withdrawal of bids prior to opening of such bids shall be transmitted to the County Procurement Agent in writing.
 - 2) Requests for withdrawal of bids after opening of such bids but prior to award shall be transmitted to the County Procurement Agent, in writing, accompanied by full documentation

supporting the request. If the request is based on a claim of error, documentation must show the basis of the error. Such documentation may take the form of supplier quotations, vendor work sheets, and similar documents. If bid bonds were tendered with the bid, the County may exercise its right of collection.

- 3) No bid may be withdrawn under this section when the result would be the awarding of the Contract on another bid of the same Bidder or of another bidder in which the ownership of the withdrawing Bidder is more than five percent.
- 4) If a bid is withdrawn under the authority of this section, the lowest remaining bid shall be deemed to be the low bid.

28. Contract Award:

Bid (IFB)-- Award will be made on basis of information submitted with the bid and based on what is determined to be in the County's best interest, taking into consideration pricing and qualifications of bidders. A written award in the form of a purchase order, acceptance agreement, or formal contract shall result in a binding contract without further action by either party. If a contract or acceptance agreement is used, the same shall be executed by the successful Bidder within ten (10) working days of receipt of notice of award. All bids shall be approved by the County's Board of Supervisors prior to the award of same.

Proposal (RFP) – A Selection Committee will review and evaluate all proposals submitted in response to a Request for Proposals. The Committee shall conduct a preliminary evaluation of all proposals on the basis of the information provided with the proposal and the evaluation criteria listed herein. The Committee shall make recommendation to the County Board of Supervisors, and the Board of Supervisors shall make the final decision. The County shall be the sole judge as to the merits of qualifications submitted by Offerors. The decision of the County shall be final. In the event the County determines, in writing and in its sole discretion, that only one Offeror is fully qualified, or that one Offeror is clearly more highly qualified and suitable than the others under consideration, a contract may be negotiated and awarded to that Offeror.

The following documents, which are included in the Request for Proposals, shall, unless otherwise provided, be incorporated by reference in the resulting Contract and become a part of said Contract:

- G. Other documents which may be incorporated by reference, if applicable.

29. Tie Bids: If all bids are for the same total amount or unit price (including authorized discounts and delivery times) and if the public interest will not permit the delay of re-advertisement for bids, the County Procurement Agent is authorized to award the Contract to the resident Accomack County tie bidder whose firm has its principal place of business in the County, or if there be none, to the resident Virginia tie bidder, or if there be none, to one of the tie bidders by drawing lots in public. The decision of the County to make award to one or more such bidders shall be final.

30. Notification of Award: Successful Bidders/Offerors will be notified immediately upon acceptance of their bid/proposal.

31. Guarantees & Warranties: All guarantees and warranties required shall be furnished by the successful Bidder/Offeror and shall be delivered to the Procurement Agent before final payment on the Contract is made. Unless otherwise stated, manufacturer's standard warranty applies.
