

Fire Academy

Student Release Form and Indemnification

Whereas the Accomack County Department of Public Safety agrees to provide firefighter training to volunteer fire and EMS departments in Accomack and Northampton Counties in an effort to improve firefighting and rescue skills of personnel. The following items are agreed to by the volunteer departments and personnel for training.

Student's Printed Name

Department

That the student who is named above is a member in good standing in your department, is fully covered under your department's workers compensation insurance for the period of time traveling to class, during class times and travel from class.

That the student who is named above is free of medical conditions which would prohibit participation and is capable of meeting the fitness demands of the Fire Academy program. Any and all medical conditions must be reported at the start of the Fire Academy program. Accomack County shall be held harmless for any injury resulting from a known or unknown medical condition of the student. All liability shall be the responsibility of the department sending the student for training.

That the student and department named above shall be provided with personnel protective gear meeting the necessary specification of the National Fire Protection Association's requirements for interior structural gear and be provided with Self Contained Breath Apparatus w/cylinders meeting all applicable standards. Accomack County and its instructors shall be held harmless for damage to said equipment.

That the student named above agrees to release, indemnify, hold harmless and defend Accomack County from all loss, liability, claims or expense (including reasonable attorney's fees) arising from bodily injury, including death, to students or other caused in whole or in part by the negligence or misconduct of the student or any other participant in the 2007 Fire Academy, except to the extent same are caused by the negligence or willful misconduct of the Accomack County and to the extent said injuries are covered by the students workers compensation insurance. It is the intent of this section to require the user to indemnify the county to extent permitted under Virginia Law.

We hereby agree to the conditions set forth in this user agreement:
